What is conflicting information?
Definition

“A discrepancy in the information that a school has regarding a student that affects his or her eligibility for federal student aid.”

*Federal Student Aid Handbook Appendix A: Glossary and Acronyms*

Definition

“If an institution has reason to believe that an applicant’s FAFSA information is inaccurate, it must verify the accuracy of that information.”

*Verification selection: 34 CFR 668.54(a)(2)  
Administrative Capability: 34 CFR 668.16*

**GEN-16-14**
For discussion purposes only

IASFAA Conference
October 2016

GEN-16-14: Conflicting Information

- ED will identify possible conflicting information resulting from use of 2015 income and tax information for 2016-17 and 2017-18 FAFSAs
- Limit burden and minimize instances of conflicting information related to 2015 income and tax information
- Normal conflicting information rules apply for non-income and tax related information

GEN-16-14: Conflicting Information

- FOTW new edits warn if one or more income or tax amounts reported for 2017-18 differs from amount reported on 2016-17 FAFSA
- If corrections not entered, comments included on SAR and ISIR
- Edits NOT triggered if
  - 2016-17 FAFSA transaction was based on estimated income/taxes
  - Change in dependency status between two years
  - There has been a change in either student’s or parents’ marital status between two years

GEN-16-14: Conflicting Information

- CPS will identify conflicting information between two years that once resolved would have significant impact on EFC
- CPS will NOT flag if
  - Student is not expected to be Pell-eligible
  - Change in dependency status between two years
  - Change in student’s or parents’ marital status between two years
  - PJ was performed in either year
**GEN-16-14: Conflicting Information**

- Institutionally required resolution
  - Student’s 2017-18 ISIR and SAR will be flagged with ‘C’ code and comment code 399
  - Will NOT be included on 2016-17 ISIR
  - If comment code 399 not included on 2017-18 ISIR, school is not required to determine if there are any differences in income or tax information between two ISIRs
    - However, any other conflicting information (e.g., citizenship status or HS completion status) must be resolved

---

**GEN-16-14: Conflicting Information**

- Applicability of ISIRs
  - School does NOT have to resolve comment code 399 if
    - Never received 2016-17 ISIR
    - Received 2016-17 ISIR but did not and will not disburse TIV aid in either year
  - School does have to resolve comment code 399 if
    - Received 2016-17 ISIR and disbursed or may disburse TIV aid
    - Received 2016-17 ISIR but did not review or process 2016-17 ISIR

---

**GEN-16-14: Conflicting Information**

- Resolving potential conflicting information
  - School must compare all of 2015 income and tax-related FAFSA/ISIR items from both years’ ISIRs to determine which are in conflict
  - If, for either year, school had verified conflicting information or student/parent used IRS DRT and did not change any of transferred data, school can assume verified or DRT values are correct and submit changes to other ISIR’s year’s values
    - Exception
      - If school is aware that subsequent to verification, amended tax return was filed, school must ensure both years’ ISIRs based on amended tax data
**GEN-16-14: Conflicting Information**

- Conflicts must be resolved if information
  - Was not verified
  - Was not transferred using IRS DRT
  - Was transferred and then changed or
  - If school is aware amended tax return was filed with IRS
  - May need to reach out to student for reasons why data is different between years

**GEN-16-14: Conflicting Information**

- Additional disbursements and overpayments
  - 2017-18 FAFSA/ISIR – if required correction is for 2017-18 year, school must use EFC from corrected ISIR to award/disburse
  - 2016-17 FAFSA/ISIR – if required correction is for 2016-17 year, school must ensure that all awards/disbursements for 2016-17 are using corrected 2016-17 ISIR
    - Exception – not required to submit corrections to 2016-17 ISIR if 09/09/17 published deadline for making corrections has passed

**GEN-16-14: Conflicting Information**

- Unable to resolve
  - Until conflicting information is resolved, school may not disburse any additional 2016-17 or 2017-18 Title IV aid
  - If unable to resolve school must consider student in overaward status for any need-based 2016-17 Title IV aid that was disbursed
    - except FWS – though no more FWS can be earned
GEN-16-14: Conflicting Information

- Additional disbursements and overpayments
  - **Lower EFC**: when correction results in lower official 2016-17 EFC, school must disburse any additional 2016-17 aid it determines student is eligible to receive
  - Consistent with late disbursement rules at 34 CFR 668.164(g)
  - **Higher EFC**: when correction results in a higher official 2016-17 EFC, school must determine student’s 2016-17 Title IV eligibility based on corrected EFC and may not make any additional 2016-17 disbursements for which student is no longer eligible
  - Overawards may occur

GEN-16-14: Conflicting Information

- Resolving overawards and overpayments
  - **Title IV Grants and Perkins Loans**
    - Adjust subsequent disbursements
    - If not resolved by adjusting subsequent disbursements, student must repay portion disbursed no longer eligible for
    - School is not liable
    - Follow normal overpayment rules and procedures
  - **Direct Subsidized Loans**
    - Does not need to be immediately repaid but instead will be repaid under terms of promissory note
    - No action school must take except to record its determination
